

# PARISH ALLIANCE SHOPPER BUSES

KCC Bus Subsidy cuts meant the 58 & 70 routes were axed along with many other rural routes

We worked with 10 Parish Councils and Nu-Venture Buses to provide two weekly "Shopper Buses". This will be funded by the parishes based on their populations, assisted by a Community Transport Fund grant we obtained through KCC . These buses provide a weekly lifeline (and social occasion) for our more vulnerable residents

The scheme will also provide a template for other Parishes as more routes get axed in the future.

**Route 70 Mondays** runs Wrotham, Borough Green, Platt, Offham, West Malling, East Malling and Lunsford Parks

**Route 58 Fridays** runs Borough Green, Wrotham, Addington, Trottiscliffe, Ryarsh, Birling, Leybourne, East Malling, Quarry Wood into Maidstone
