

SAVING PUBLIC CONVENIENCES

Don't allow them to be closed - take 'em over!

Tonbridge & Malling decided they could no longer afford Public Toilets, and proceeded to dispose of them.

We helped Borough Green Parish Council take over the Village Hall public toilets, establishing maintenance and cleaning contracts.

This valuable asset remains available 24 hours a day to residents and visitors alike, enhancing Borough Green's vibrant shopping centre, and providing a welcome stop over for Walking Groups heading from the Station out into the Countryside.
